# Proud EduPhil Scholars 2025 Receiving Their Certificates at Southern Luzon State University — Empowering Futures Together!

# PRESIDENT'S MESSAGE

## FROM BOXES OF BOOKS TO BRIDGES OF DREAMS...

As we look back on the past year, I am filled with gratitude and awe for what we have accomplished together. Like gardeners tending to vast a field, we have sown seeds of knowledge and hope across our beloved Philippines. From the Northern peaks of Luzon to the central heartlands of Visayas, and down to the southern shores of Mindanao, our efforts have reached **41 schools – 14 in Luzon, 24 in the Visayas and 3 in Mindanao**. Each school represents not just a location on a map, but a lighthouse guiding young minds through the sometimes-stormy seas of poverty toward the shores of opportunity.

In the past months alone, we have sent 50 boxes of books and educational materials, planting pages that will bloom into endless possibilities. We have established several libraries-true treasure chests where children can unlock worlds with every turn of a page. In the words of Dr. Seuss, "The more that you read, the more things you will know. The more that you learn, the more places you'll go." These libraries were not mere rooms filled with shelves, but bridges to dreams, pathways to professions, and gateways to greatness.

Our mission has also extended beyond classrooms. We have awarded 15 nursing scholarships, empowering young men and women to not only heal bodies but also inspire hearts. Through our partnership with TESDA (Technical Education and Skills Development Authority), 25 youths have completed vocational training, equipping them with skills that will feed families and fuel futures.

These achievements are like ripples in a pond-each life touched sends waves of hope that will reach far beyond what we can see.

None of these would have been possible without the unwavering generosity of our members, tireless service of volunteers, guidance of teachers and principals, support of university administrators, steadfast leadership of mayors and local government officials, and kindness and generosity of our donors. Together, we have built not just programs of promises. Together, we are turning the pages of a brighter future for the next generation.

With gratitude and hope,

*Emiliano Pata Jr.*

Emiliano Pata Jr.

President, EDUPHIL USA

*Welcoming!*

## Educational Outreach to the Philippines (EDUPHIL, INC.) at Southern Luzon State University - Main Campus Lucban, Quezon, Philippines

### TANAUAN SCHOOL OF FISHERIES

#### EDUPHIL USA DONATES BOOKS AND BOOKSHELVES TO TANAUAN SCHOOL OF FISHERIES

EduPhil USA, through its auditor Sir Erwin P. Panganiban, donated six boxes of books and two bookshelves to Tanauan School of Fisheries, February 4, 2025. The donation aims to add the school's library resources and promote a stronger reading culture among students.

Dr. Shirley C. Siman, Vocational School Administrator III; Nelda V. Almendras, Head Teacher VI and Officer-in-Charge, SHS Department; Florida M. Magabo, Head Teacher III, Math-Sci and ADAPT-A-School Coordinator; and Wiljoy D. Famorcan, School Librarian officially received the books and bookshelves. Students and faculty members can easily access them for academic and research purposes. This initiative significantly improves the learning environment at Tanauan School of Fisheries, providing students with valuable resources to enhance their knowledge and literacy skills.

EduPhil USA, an organization dedicated to supporting education in the Philippines, continues to extend its assistance to various schools and ensure that learners have the necessary tools for academic success. The school administration expressed deep gratitude for the donation, emphasizing how it will help shape the future of many students.

Library*

## MY EDUPHIL VISIT

What an unforgettable and heartwarming journey it was to do EduPhil work in the Philippines.

I had the privilege of visiting 2 schools in Manila, 4 in Baguio, 2 in Tarlac, and 6 in Bohol. Each stop was a window into the lives of eager young learners and the dedicated teachers who nurture them every day.

From conducting a feeding program for the children to walking through their classrooms, I witnessed both the challenges they face and the resilience that fuels their dreams. Their smiles, warm welcomes, and heartfelt gratitude for EduPhil's support touched me deeply. Seeing firsthand the impact of our work strengthened my commitment to our mission.

The trip was made even more special by two memorable gatherings:

- A meeting with the Mayor of Jagna, complete with a vibrant performance presentation and lunch.
  - A joyful teacher's get-together for the 6 Bohol schools, which also served as our farewell dinner.
- One of the highlights of my visit was awarding EduPhil's very first full scholarship and nine partial scholarships for Nursing at Holy Name University in Bohol. Investing in these future healthcare professionals is not just about education—it's about empowering lives and building stronger communities.

This experience was more than a trip—it was a celebration of hope, generosity, and the life-changing power of education.

# EDUPHIL-USA: TRANSFORMING EDUCATION IN DUERO DISTRICT

---

## A MESSAGE OF GRATITUDE

We extend our heartfelt thanks to Eduphil-USA, led by Ms. Marieta Seale and Sir Galileo Encabo, for their unwavering dedication to transforming education in the Duero District. Their generosity has touched lives, uplifted schools, and inspired both learners and educators.

## A Journey of Transformation

The transformation of Duero, Bohol's schools began in April 2023 through Eduphil-USA's generous support. This educational outreach has brought hope and opportunities to:

- San Isidro Elementary School
- Payao Elementary School
- Duay Primary School
- Itum Primary School
- Mambool Elementary School
- Madua Norte Primary School
- Cansuhay Elementary School

## A Library for Learning

**Eduphil-USA** also funded the creation of bookshelves for the learning resource center/school library—turning donated books into a thriving hub for growth, curiosity, and discovery.

## Highlights of Eduphil-USA's Initiatives

- **Book Distribution:** Providing boxes of books that have greatly improved reading skills.
- **Skills Development:** Encouraging reading, literature, and music through activities and rewards during Buwan ng Wika 2023.
- **School Supplies:** Distributing bags, pens, paper, and pencils to all learners.
- **Feeding Program:** Serving nutritious meals to promote health and focus.
- **Personal Care Kits:** Supplying toothbrushes and hygiene items to students.
- **Teacher Support:** Providing towels, shampoos, and sunscreen in appreciation of teachers' dedication.
- **Donations:** Giving brand-new Nike shoes and pre-loved dresses to students.

## A Lasting Legacy

Through the vision of Ms. Marieta Seale and Sir Galileo Encabo, Eduphil-USA has not only provided resources but also inspired a culture of learning, care, and hope—leaving a legacy that will benefit generations to come.

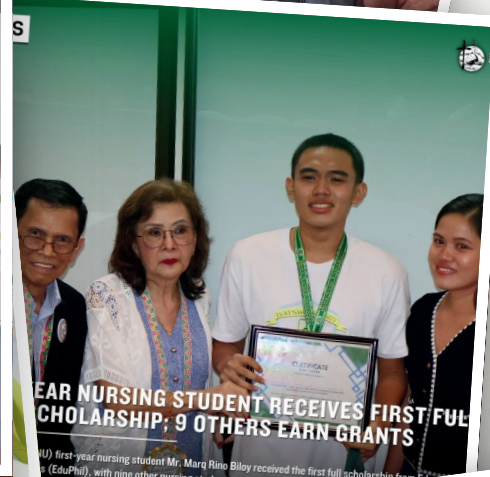

## Thank You, Eduphil-USA!

Together, we are building a brighter, stronger future for the learners of Duero District. Mabuhay!

*From: The Teachers and Students  
of Duero District*

[volcanicsushisake.com](http://volcanicsushisake.com)

"Stopped in for a quiet Sunday lunch and enjoyed excellent food and service! I've tried their sushi before, which is also great, but today I focused on their Udon noodles with chicken. It was a good portion size and I'll be back to try the pork and shrimp versions too." — Ann Marie G.

"I really enjoyed our food there today. We ended up getting the lunch menu, red curry with tofu and with chicken. Our waiter was very kind and they did a good job, providing us with vegetarian needs and spice preferences. I will say that their red curry is probably one of the best I've had in Gainesville. My friend enjoyed the fried ice cream tempura as well!" — Shreya R.

Your commitment to education is helping turn dreams into diplomas, one student at a time.

Because of your support, more young minds in the Philippines can rise above barriers and reach graduation day.

Each contribution creates ripples of hope, building stronger communities and brighter futures.

Let's continue this journey together—so every child has the chance to wear a cap and gown.

In Support,

Teresa Banzon Garcia & Evelyn Ibay
